July 2023

We had a busy month in June, and a fun month, too. We had two regular tournaments at the Reserve in Stockton and Timber Creek in Roseville, plus an out-of-town trip to Nevada at Dayton Valley and Silver Oaks. Results are below. All our events were played in the unbelievably mild June temperatures we've been enjoying this year. We had a decent turnout at the Reserve and a great turnout (41 players) at Timber Creek, always one of the most popular courses on our schedule. Competition was really close at both tournaments; note all the card-offs!

Let me pass on a quick word about great golf. It wasn't Brad Erway's best day overall at Timber Creek, but he finished off each nine in high style. On number 9, Brad hit his second shot from about 165 out and stopped it 4" from the cup. On the par 5 number 18, he did almost as well; Brad hit his third shot from about 180 out to about 6" from the cup. Both shots were close to perfect and easily could have been eagles instead of tap-in birdies. Nice shooting, Brad.

MESSAGE FROM OUR CLUB PRESIDENT

For those members that made the trip to Carson City I want to thank you for coming. Dayton Valley was in its usual good condition. It was a very nice day, too, except for the last hole or so when it started raining. Tuesday at Silver Oaks was a gorgeous day. We enjoyed decent course conditions and nice staff. The results of the prizes will be posted later.

Now that the heat has arrived, I want to caution you to be sure and keep yourself hydrated. Freeze bottles of water the night before golfing on hot days. I put a wet towel in with my frozen water to use on the course. That cold towel feels really good against the back of my neck or for wiping my face and arms. Hope to see everyone at Castle Oaks on 7/15. Keep cool.

Mike
