November 2021

TRGC suffered a huge loss in October: our webmaster, longtime club member and great golf partner, James Snyder, passed away from Covid-19 after a long battle with the disease. James was a major contributor to our club's success. We will miss his companionship and his great work with the club's website.

In happier times in October, TRGC held its annual Reno trip. We had a great turnout overall, perfect weather, two tough courses and a new winner of the Lou Mucci trophy. Bill Casey won the trophy, named for one of the early founders of our club, winning by two strokes over Larry Johnson at Lakeridge. Just to keep the streak going, Bill also won the 1st flight the next day at Toiyabe Golf Course. All the results are shown below.

Mike Morrow is talking with at least one club member about taking over the website management for TRGC. This is job that doesn't take a great amount of time commitment, but does take some technical skills, quite a bit above the usual Word and Excel competency. If you possess web skills and could offer the club the time required for the job, please get in touch with Mike right away at morrowundesided@yahoo.com.

From Mike Morrow, Club President:

I would like to thank you for supporting the Two Rivers Golf Club this year. It is your support of Your Club that keeps us going. Your suggestions and input about your Club's operation is always welcomed and encouraged. It is time to get your Club renewals in the mail. The 2022 Schedule is almost complete and is looking good. Poppy Hills, Del Monte and Genoa Lakes are a few of the courses we will be playing that should inspire you and your game. I hope you have an enjoyable holiday season and may there be no three putts.

COMING EVENTS

We are truly down to the end of the year. Our last event will be the for-fun scramble/awards luncheon at **Mather on Saturday, November 6**. Renee has already sent out the foursomes, but contact her if you get desperate and want to get in.

TRGC WEBSITE

Our website won't be updated until we get a new webmaster. You can access it at: www.tworiversgolfclub.com. The website still has the results of earlier events and previous months' newsletters.

RECRUITMENT AND MEMBERSHIP RENEWAL

This is the time of year to get your TRGC renewal in to Secretary Judy Davenport. The earlier the better, especially since there is a late fee for renewals after December 31. The Board of Directors has spent a lot of time on the 2022 schedule—to me, it looks really good and worthy of your support. As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to play in our events. Renee has sent out the 2022 membership application.

SUNSHINE

Tim Peart continues to recover at home from a major heart attack. I had to have surgery on my left arm in early September and then I got pneumonia (no connection) and had to be in the hospital for a while. I'm still a little weak but getting better every day. The arm surgery was not a success, so I have to do it over again in November. Bummer.
