

TWO RIVERS GOLF CLUB NEWSLETTER

www.tworiversgolfclub.com

December 2021

This will be a short newsletter this month; just a few items to cover. First off, member Bruce Hoffman has taken over as our new webmaster. Take a look at www.tworiversgolfclub.com. We have a whole new look on the website, along with our renewal application, tournament results and past newsletters. More information will be added as it becomes available. Thanks, Bruce, it looks great.

Also, in early November, we held our annual scramble event and end-of-year awards lunch. We had great weather, evenly matched teams and tons of fun. See the results below. Special note: two teams tied for 2nd and 3rd and four teams tied for 4th and 5th. Definitely close competition!

Our Most Improved male and female players for 2021 were announced at the scramble lunch, too. Gene Coughlin improved his index from 22.9 to 16.5, a reduction of 6.4 strokes. Tracey Spitler improved her index from 14.3 to 8.4, a reduction of 5.9 strokes. We all want to play better golf; these two players really got the job done. Congratulations, Gene and Tracey.

From Mike Morrow, Club President:

I hope everyone had a good Thanksgiving and hope your Holiday season is full of happiness and joy. I'm looking forward to the 2022 TRGC golf year. If you have not renewed your membership to the Club, now is the time to submit it. I'm looking forward to seeing everyone on the links with Two Rivers again next year.

COMING EVENTS

Our 2022 tournament schedule is almost finalized. We'll get it on the website and in the newsletter as quickly as possible. I think the schedule has a great mix of courses, both local and outlying areas, some less expensive and others more costly. One thing that we have seen in all areas of life these days: inflation is truly a fact of life! Golf is no exception—pretty much all golf courses have raised their green fees/cart fees noticeably, so don't be too shocked when you see the finalized schedule.

Our schedule includes our Monterey trip, a summer trip to Dayton Valley and the annual Reno trip.

TRGC WEBSITE

Thank you, Bruce Hoffman for taking on the important job of club webmaster. We'll look forward to updated information at:

www.tworiversgolfclub.com.

RECRUITMENT AND MEMBERSHIP RENEWAL

OK, this is the time of year to get your TRGC renewal in to Secretary Judy Davenport. Renee has sent out the renewal application, plus it's on the club website. The earlier the better for renewals, especially since there is a late fee for renewals after December 31. The Board of Directors has spent a lot of time on the 2022 schedule—to me, it looks really good and worthy of your support. As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to play in our events.

SUNSHINE

I think the club members are doing pretty well health wise. Tim Peart continues to recover at home from a major heart attack. Let's all have a healthy 2022 with lots of Two Rivers golf.
