**December 2022**

We just have a short issue for this month, results from the final event for 2022 and presenting the winners for two important categories for the year. I hope all of our members had a good Thanksgiving weekend; all the best wishes for Christmas and a happy New Year.

To begin, let me give the strongest possible thanks to Renee Wildenberg for her work in running the tournaments. All the good golf times and fun rounds we played with the club this year—thanks Renee! Also, thanks go to our president, Mike Morrow, for keeping the club on an even keel throughout the year, John Valdes for keeping the books, and Judy Davenport for the important membership and record keeping for the club. Additional thanks to our vice-president, Alan Staton, for setting up the tournaments with the help of Nick Schiaretta, and to Sandy Davis and Jim Svobodny for their work on the club board of directors. Bruce Hoffman kept our website going all year with updated graphics and format—great job, Bruce. Our handicap chair, Dan Nelson, certified our tournament results and posted the numbers with the NCGA. His job does not get a lot of notice, but the work is very important and requires a huge amount of time and effort. Thank you, Dan.

We had our last TRGC event of the year, the annual scramble contest, at Empire Ranch in early November. The turnout could have been better, but those who did play had a great time and close competition. Renee did a really good job of putting together even teams, because 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> places went to a three-way card off! Results are listed below.

### **Most Improved Players**

Every year, the club recognizes the most improved female and male players in the club. This year's winners were:

Renee Wildenberg and John Valdes.

Both these players have won this award previously; they both just keep working on their games and getting better. As a final note about the awards, there were other players in the club who were right up there in the list for most improved, but they didn't play in enough tournaments to qualify. So, everybody, play more events!

### **Message from our Club President**

This is a good time to start thinking of renewing your membership for 2023.

The 2023 schedule will be made available as soon as we get confirmations from the various golf courses. So, renew for 2023 and enjoy the schedule we are making for you. We will be continuing our out-of-town trips to Monterey, Carson City and Reno and will be looking into mid-week day outings.

May all your putts drop and I hope everyone is doing well.

### **Tournament Results—Empire Ranch Scramble**

## COMING EVENTS

The club board of directors is just about finished getting our calendar set for 2023. Alan Staton in particular has been putting in a lot of time negotiating with the courses for our events. It's been hard, what with the courses all raising their prices and also not nearly so dependent on tournaments for their profits since their tee sheets fill up pretty good with regular golfers. I think we've put together a good selection of courses for us to play—I can't wait for the new season to start. The full calendar will go up on the website just as soon as we get it finalized.

## TRGC WEBSITE

Bruce Hoffman continues to upgrade our website at: [www.tworiversgolfclub.com](http://www.tworiversgolfclub.com), giving the website a whole new look and feel. Keep checking for the 2023 calendar.

## RECRUITMENT AND MEMBERSHIP RENEWAL

As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to play in our events. We've had several guests play in our events recently; hopefully, they had a good time and will join our group. It's never too late in the year to introduce new friends to the club—sign them up and bring them out.

**Most important—the renewal forms came out and are on the website; send in your renewal and check early!**
