**December 2023**

We're bringing this year to a close with news of the end-of-year scramble, the most improved players for the year, and thank yous to our Officers and Board members. I hope all of our members had a good Thanksgiving weekend; all the best wishes for Christmas and a Happy New Year.

To begin, let me give the strongest possible thanks to Renee Wildenberg for her work in running our tournaments. She has done this work for many years so that we can enjoy competitive golf events and fun golf. Thanks, Renee, for all your hard work. Also, thanks go to Club President Mike Morrow for making the sometimes difficult decisions that keep our club running on an even keel, John Valdes for keeping the club books, and Judy Davenport for the important membership and record keeping for the club. Additional thanks to our Vice-President, Alan Staton, for setting up the tournament schedule and contracts long with Board member Jim Svobodny. Sandy Davis has served on our Board of Directors for many years, lending his experience and advice to the club. Bruce Hoffman has maintained our club website for several years, adding a new look and lots of club information. Our handicap chair, Dan Nelson, certifies our tournament results and posts our scores with the NCGA. His job is mostly behind the scenes, but the work is very important and requires a huge amount of time and effort. Thanks, Dan.

We had our last TRGC event of the year, the annual scramble contest, at Empire Ranch in early November. Similar to last year, the first place team won handily, but the next few places were very close. After a buffet lunch,

courtesy of the club treasury, the participants got various raffle prizes, mostly hunted up by Vice-President Alan Staton. Results are listed below. Consider joining us next year for this fun event—you'll enjoy it!

One more note about 2024: I have been a member of the TRGC Board of Directors for quite a few years, ten at least. I decided to not run for this position for the coming year; time for new blood! Scott Stremple won the vote for the vacant position. Welcome, Scott. I know Scott will do a great job for our club and a fresh point of view should benefit us all. I will continue to do the newsletter for the foreseeable future and play in as many of our events as I can. I look forward to seeing all of you in 2024.

### **Most Improved Players**

Each year, TRGC recognizes the most improved female and male players in the club. This year's winners were:

### **Judy Davenport and Roland Asunción**

Congratulations to both these players for their commitment to the game and their continued improvement to their game.

### **Message from our President**

This is the time to get your renewal in for 2024. Our new schedule is almost complete and will be posted once the final details are set. So, renew for 2024 and enjoy the schedule we are making for you. We will be continuing our out-of-town trips to Monterey, Carson City and Reno or perhaps a change for that trip to more local courses. We will share all the details once we have more information.

May all your putts drop and I hope everyone is doing well.

**Mike**

### **Coming Events**

The club Board of Directors is just about finished getting our calendar set for 2024. Alan Staton and Jim Svobodny in particular have been putting in a lot of time with the courses for our events. As golfers everywhere are discovering, the courses are relentless in raising their green fees/cart prices. This makes the Board's work especially hard in trying to balance the cost and quality of the courses we play. The full calendar will go up on the website just as soon as it gets finalized.

### **TRGC WEBSITE**

Bruce Hoffman continues his fine work on our website at: [www.tworiversgolfclub.com](http://www.tworiversgolfclub.com). The 2024 calendar of events will be posted as soon as the complete events are finalized. The site continues to be your best source for all sorts of TRGC info.

### **RECRUITMENT AND MEMBERSHIP RENEWAL**

As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to play in our events. We've had several guests play in our events recently; hopefully, they had a good time and will join our group. **While you're signing up for next year, this would be a great time to bring friends, neighbors and other golf buddies into the club.**

**Most important—send in your renewal and check early!**
