

TWO RIVERS GOLF CLUB NEWSLETTER

July 2020

We had a great tournament at Castle Oaks in June, again over half the club played at that neat course. Some of our members shot good scores, while others struggled a bit. It's hard to complain much, though, after playing in super weather on one of the best venues around.

Some of our members still seem reluctant to play in our tournaments because of fears over the COVID-19 virus. The recent uptick in infections is worrisome, too. However, most of those new infections seem to arise from too much socializing in bars and other gathering spots. So here's my advice: Don't go drinking in bars, don't get involved with close socializing, save your energy for golf with your Two Rivers Golf Club friends. It's much safer! Remember the great rock song by the **Fortunes—You've Got Your Troubles, I've Got Mine.**

MESSAGE FROM CLUB PRESIDENT, JOHN VALDES

Thank you to the TRGC Members and What About Our Reno Trip?

We have now conducted three club tournaments since the start of the coronavirus pandemic in March. All three tournaments have had great turnouts! I'm sure part of it is that our members have "cabin fever." Regardless, on behalf of the entire Two Rivers Golf Club Board, I would like to thank our members for their participation during these uncertain times. Not only is there still concern about the virus, but the golf courses have been modified for safety so that the golf is not quite the same as it was before. But, as I'm sure you would agree, even slightly modified golf is better than no golf at all.

Our Past-President, Nick Schiaretti, and I are still working on obtaining pricing for a possible Reno golf trip in October. I will be back in touch with the members as soon as more information is obtained. It's possible that we

may still have a Reno golf trip this year but it may have to be modified (there's that word again!) from what is "normal." For example, we may not be able to have the welcoming reception on Friday night and the sit-down dinner on Saturday night. But, we could still play the tournament and enjoy the casino and other activities in the Reno area. More information is forthcoming. Also, if you are a regular Reno golf trip participant, and you have any ideas, thoughts or suggestions on this year's trip, please pass them on to me. I would definitely like to hear from you.

In the meantime, note that our next scheduled tournament is at Auburn Valley on July 11th. I look forward to seeing everyone there!

UPCOMING EVENTS

July kicks off with our tournament at **Auburn Valley on Saturday, July 11**. Renee has already sent out the final notice, so I hope you are signed up. This is a tough course but fun to play. Come out and do that with us.

We have two tournaments in August. We play **Paradise Valley in Fairfield on Saturday, August 1**. Later in the month, we are set for **Teal Bend on Saturday, August 22**. Renee will have the first of the signup sheets out shortly.

TRGC is still on "Wait and See" status for mid-week events. Some of our usual destinations for mid-week events are not holding any tournaments as of now, but that could change in the future. We'll keep you posted.

TRGC WEBSITE

James Snyder continues to update our club website to give us current information, including tournament results and coming events. This is a big job; thanks, James for your work to give us a better website. Check it out when you get a chance and use it as a reference for club news:

RECRUITMENT AND MEMBERSHIP RENEWAL

It's hard to recruit new members when all our activities are a little iffy, but now we have our tournaments going, so give some thought to friends, co-workers and golfing buddies who might want to join us in the tournaments we are able to play. We have gained some new members lately, plus several guests have played in our events. Keep up the invitations.

SUNSHINE

I'm happy to say that for the most part, our members seem to be doing well healthwise. Nick Schiaretti is back playing in the past two tournaments

after his surgery. Glad to have you back, Nick. Michael Dazey is back in action, too, and won his flight at Castle Oaks.
