

# TWO RIVERS GOLF CLUB NEWSLETTER

[www.tworiversgolfclub.com](http://www.tworiversgolfclub.com)

## February 2014

This will be another short newsletter, but next month, weather permitting, we should have what everyone has been waiting for: tournament results! Our first tournament is scheduled for Saturday, February 15, at **Empire Ranch**. The tournament filled up fast—it is already a sellout with 64 players signed up. Also, our **Little Logo Girl** will be at the tournament to take orders for TRGC themed sportswear, so give some thought to your attire needs and plans.

## Coming Events

The next TRGC event will be at **Turkey Creek** on Saturday, March 8. This is another great course with a good layout and plenty of challenge, so I would expect a large turnout of TRGC members. Get your entries in early.

After Turkey Creek, TRGC will be heading to Monterey for our annual spring trip. We will play at **Pasadera Country Club** on Thursday, April 3, followed by **Rancho Canada West** on Friday, April 4. These are the same courses we played last year; many of you will remember how beautiful (and tough!) Pasadera was.

Once we return from Monterey, we will play **River Oaks Golf Club** on Saturday, April 12.

Renee will send out the entry forms for these tournaments as the dates get closer—enter early!

We had a little rain recently, but we need much more. Keep a hope for some rain, but not on our tournaments weekends. We really some now to help the courses stay green all summer.

## RECRUITMENT AND MEMBERSHIP RENEWAL

Welcome back, all of you who renewed your membership. Judy Davenport, our club Secretary, reports that currently we have 88 members. Most of our members from last renewed, plus we picked up several new members. Be sure to say hi and welcome the new members.

As always, TRGC is looking to increase its member base, so don't forget to invite your friends, co-workers, and golf buddies from other groups to play golf with our club. Also, you can take \$5 off your renewal fee for next year for every new member you bring to the club (limit of five new members per year).

### **SUNSHINE**

My longtime friend and TRGC member Duane Shaul is recovering from toe surgery and a wrist injury due to an ill-positioned ladder. He is completely out of golf right now, but he is hoping the physical therapy will allow him to get back on the course. I'm also in physical therapy from my shoulder surgery—every week is better than the last. I still have a ways to go, but the day is drawing closer that I can get out and play in our tournaments again.
