May 2021

April was a busy month for TRGC—one tournament and our annual trip to Monterey. The Auburn Valley event was characterized by two things—a low turnout and very shaggy greens. Auburn Valley is normally known for its fast greens, so we were shocked to find them with deep grass and no speed at all. The course's explanation was that their green mower had broken down the previous week, still out for repairs. Some of our players solved the slow greens very well, others not as well. See the results. We also played at Wildhawk on May 1 with a good turnout.

Our Monterey trip was a huge success--we had 37 members and guests participate. The initial weather forecast looked a little grim: low temperatures and possible showers. Both days, though, were beautiful with partly sunny skies. We didn't play any scoring, skins or CTP, just fun golf on good courses. Special mention for Poppy Hills—I think the course was in the best condition ever. The fairways had a nice cushion that made iron and wood shots sweet to hit. The greens were medium speed and in perfect shape. If you missed the trip this year, be sure to join in next year.

Meanwhile, our president, Mike Morrow, ran afoul of a garden hose, twice in one trip, and had a huge fall. He ended up with a broken toe and ankle, plus assorted bumps and bruises. He still made the trip to Monterey and hit short shots into the greens. Hang in there, Mike, recover soon.

From Mike Morrow, Club President:

Welcome to May. I hope everyone is doing well. The Club was provided good weather for the Monterey trip. Because of COVID there were no games played, just casual golf. With Monterey behind us it is time to start thinking about our Carson City trip, June 21-22. I have one and two night packages available; they will be sent out to our members. Please email me, not Renee,

at morrowundesided@yahoo.com to sign up. Checks should be made out to Mike Morrow.
