## August 2021

We had two tournaments in July; they couldn't have been more different. Morgan Creek was hot, hot, hot and the golf course was not in the best shape. Not horrible, just not to the level we like to see at our events. Turkey Creek had really nice weather for this time of year, aided by our early shotgun start and a great little breeze, and the course was in great shape. Results are shown below. Did you notice Ken Leufgen's distance for CTP on hole #16 at Morgan Creek? One inch! Heck of a shot, Ken.

### **From Mike Morrow, Club President:**

I would like to thank all those who have signed up and gotten their deposit in for Reno. Please have your balance in by 8/27. As in past years, the club has worn pink for cancer awareness at one of the two courses. This year we will continue the pink theme at The Lou Mucci Tournament, which will be played at Lakeridge on Monday, Oct 4th.

The golf year is winding down. Only a few tournaments remain: Haggin Oaks, which you should have already signed up, followed by the Club Championship at Teal Bend and Castle Oaks. Our year ends with the scramble at Mather on November 6th. Let's finish the year with some big turnouts.
