Happy New Year! I hope the New Year finds you happy and well, and that you have renewed your TRGC membership already. The membership renewal is really a key element for having more fun in 2018. Poppy Hills is staying with their cart-path-only rule, which makes the course a tough proposition for players with any degree of mobility impairment. The TRGC Board has elected to move the traditional Poppy Hills event to The Quail Lodge course because of this issue. Quail Lodge is a gorgeous, resort-style venue that should be fun to play. As in recent years, the Nicklaus Club will be our other course on the trip.

Also, Nick and Renee are in the process of scheduling mid-week events at Yocha Dehe and other venues. We will be making announcements as soon as details become available.

### **NCGA QUALIFIER TOURNAMENTS**

Information from Vice-President Mike Morrow: The NCGA website has a listing for their 2018 Tournament schedule. Some of the tournaments require qualifying through your own club and some don't; the schedule on the website is broken down so you can easily see which is which. Schedule also shows the handicap level needed to enter and sites to be played. Mike called the NCGA office and was informed that registration will open at the end of January. While on the web site, everyone could also take a look at all the events the NCGA has to offer and the courses they have lined up.

### **TRGC WEBSITE**

James Snyder continues to update our club website to show the proposed 2018 tournament schedule and other current information, including the 2018 membership renewal form. This is a big job; thanks, James for your work to

give us a better website. Check it out when you get a chance and use it as a reference for upcoming events: [www.tworiversgolfclub.com](http://www.tworiversgolfclub.com)

### **RECRUITMENT AND MEMBERSHIP RENEWAL**

Welcome back, all of you who renewed your membership. If you have not yet renewed your TRGC membership, the form is on our website. Don't miss out on our fun tournaments on our schedule. As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to meet our club.

### **SUNSHINE**

I'm happy to say that I don't know of any new health issues among our membership. I know some of us have leftover concerns that need a little work, but overall, I think our members are in good shape health-wise. Let's keep it that way!
