March 2016

We have results! TRGC had its first regular tournament for 2016 at Empire Ranch in February. The weather was a little chilly, but not so bad for this time of year. As you can see from the results below, some of our members were in mid-season form. They must have been practicing all winter! Of particular note was Richard Hom holing out his third shot on #6, the hardest hole on the course, for a birdie from 20 yards out. Great shot, Richard.

COMING EVENTS

Our next regular event will be **Saturday, March 12, at Turkey Creek**. The entry form has been sent out already. Get in touch with Renee right away if you want to play and haven't yet signed up. Later in March, Nick has set up an outing at **Silverado Resort and Spa in Napa on Wednesday, March 23**. So far, the

signups have been light—we need more players if the event is to go off as scheduled. Contact Nick if you want to play.

Early in April, we have a regular weekend TRGC tournament at **Darkhorse on April 2 in Auburn**. Renee will send the entry form to the members soon.

Soon to follow is TRGC's annual trip to Monterey on **Thursday and Friday, April 14 & 15**. This year, we will be playing Blackhorse and the Nicklaus Club, both fine courses with lots of variety and challenge. Again, please contact Nick right away if you would like to play one or both of these courses.

Also, Nick will add more mid-week events later in the year. We'll pass on the exact information as it becomes available.

POINTS STANDINGS

The TRGC Board of Directors has made some changes in the way in which points are awarded in our tournaments. Here is a brief summary of those changes:

--Points for participation in regular TRGC tournaments will be 10 points for each tournament. In past years, more points were awarded as an individual's number of tournaments went up. Now, the points will be the same for every event.

--Points for winning/placing in flights will be awarded regardless of ties. This is different from prize money, which uses card offs to determine final placings. For points purposes, if 3 players tie for second in a flight, each of the players will receive 3rd place points. This means that the points awarded will not always match the placing shown in the newsletter results.

--Points will be awarded only for the regular weekend TRGC events, including the two club championship tournaments. Points will not be awarded for competing in weekday events, the Monterey trip nor the Reno trip.

--Points awarded will be 30 for 1st and ties, 25 for 2nd and ties, 20 for 3rd and ties, 15 for 4th and ties, plus 10 for participation.

These changes were made to increase the competitiveness of the year-long points race. The Board considered that many club members are not able to take time off from work to play in the weekday events or the Monterey and Reno trips. Also, more points will be awarded for ties in the regular tournaments, again with the purpose of making the points competition closer.

After one tournament, here are the points leaders:

1	Dustin Buck	30
1	Bob Prouty	30
1	Tim Peart	30

RECRUITMENT AND MEMBERSHIP RENEWAL

As always, TRGC is looking to increase its membership base, so be sure to invite your friends, co-workers, and golf buddies from other groups to meet our club. Don't forget, you can take \$5 off your renewal fee for next year for each new member you bring to the club (limit of five new members per person per year).

SUNSHINE

Sandy Davis is going to have cataract surgery in March with the hopes of improving his vision. I am having some kidney problems that will require a lengthy medication regimen to get my kidneys back in good function. Other club members are having other medical concerns but want to keep their issues private. Remember to keep the ailing club members in your thoughts and prayers.
